

Dear colleague,

Chemical Market Analytics will be attending K-Trade Fair on 19-26 October in Dusseldorf.

We would like to invite you to join our market experts at our seminar on 21st October 2022 at 10am to 1pm.

We hope you can join our thought leaders as they provide an in-depth overview of the current challenges and future opportunities for the global polymers and plastics markets.

We are looking forward to meeting and engaging with you.

Kind regards,

Chemical Market Analytics team
